Tamara

BWS41522

Project:

Location:

Fixture Type:

Catalog Number:

DESCRIPTION

The Tamara wall sconce has a fluid, zig-zag arrangement that infuses the fixture with a sense of movement and energy, capturing the bold, geometric elegance synonymous with Art Deco style. A dynamic grouping of staggered round cylinders, each tipped with Optic Crystal and a Radiance® Crystal diffuser that catch and refract the light, casting a stunning display of brilliance that elevates any space with sophistication.

FEATURES

- Can be mounted on wall in all orientations
- Driver concealed within the fixture
