Plumeria

BWS25523

Project:

Location:

Fixture Type:

Catalog Number:

DESCRIPTION

Like an architectural marvel, the Plumeria crystal wall sconce has sparkling tapered Optic Crystal elements which crown the ends of sleek, curving arms in an elegant composition. LED illumination filters through the faceted crystal, reflecting off the polished arms to create a stunning, ambient glow that fills the space with brilliance.

FEATURES

- Can be mounted on wall vertically or upside down
- Driver concealed within the fixture
