Location:

Fixture Type:

Catalog Number:

DESCRIPTION

Pickwick brings a striking vertical elegance to contemporary spaces with its elongated, stiletto-inspired profile. A faceted Optic Haze® Quartz crystal forms the centerpiece—its organic veining and subtle translucence illuminated beautifully by color-selectable 4CCT LEDs. A raised, banded metal detail cinches the crystal at the center, adding sculptural refinement and a sense of poised tension.

FEATURES

- Illuminated Optic Haze® Quartz includes unique variations in luster, hue, and patterning.
- Accessible 4CCT adjustability switch. Set from 3000K/3500K/4000K/5000K.
- Can be mounted on wall vertically or horizontally
- Driver concealed within the canopy
