Camellia

S8015

DESCRIPTION

Inspired by the breathtaking beauty of a midsummer bouquet, the Camellia collection is a timeless tribute to nature's artistry. Graceful, handcrafted metallic arms arch and sweep like delicate branches, creating a stunning silhouette. Adorning these arms is an abundance of intricately sculpted flower blossoms and leaves, giving the fixture a lifelike, botanical feel. Candelabra slips rise from sparkling crystal bobeches, casting a warm and elegant glow. Like morning dew sparkling in the first rays of sunlight, a cascade of faceted Radiance® Crystals falls from the blossoms, scattering light in a brilliant display.
