Dyana

S50601

DESCRIPTION

Victorian grandeur is reimagined for the modern age in the Dyana Collection. Each exquisite pendant showcases an oval-shaped Cut Heritage® Crystal glass shade, masterfully faceted to reflect a soft, prismatic glow. Hand-finished cast metalwork crowns and anchors the design, adorned with scrolls, flourishes, and an ornate decorative chain that echoes the Old World charm and craftsmanship of a bygone era.

AVAILABLE TRIM

Spectra Crystal (H)
